

## TNS4200 – raising the bar for TS over IP monitoring

*Monitoring your transport streams easily with TSoIP probes that combine rich feature set and great prices*

The TNS4200 is a powerful and flexible probe for monitoring linear TSoIP streams:

- Rich feature set including monitoring features for contribution and stream processing applications
- Real-time embedded platform key for QoS monitoring
- High density of inputs on the same unit
- Most flexible alarm system on dedicated probes
- Strong logging capabilities

	TNS4200 Basic	TNS4200 Plus	TNS4200 Premium
Features	<ul style="list-style-type: none"> <li>• 50 SPTS inputs</li> <li>• 25 MPTS inputs</li> <li>• QoS monitoring</li> <li>• ETR 290 pri1</li> <li>• IP/RTP monitoring</li> <li>• SLA monitoring</li> <li>• CA monitoring</li> <li>• PSI/SI monitoring</li> </ul>	<ul style="list-style-type: none"> <li>• 150 SPTS inputs*</li> <li>• 50 MPTS inputs*</li> <li>• QoS monitoring</li> <li>• ETR 290 pri1</li> <li>• IP/RTP monitoring</li> <li>• SLA monitoring</li> <li>• CA monitoring</li> <li>• PSI/SI monitoring</li> <li>• Advanced monitoring for SPTS</li> <li>• 25 advanced for monitoring MPTS                             <ul style="list-style-type: none"> <li>• ETR 290 pri2, 3**</li> <li>• HbbTV monitoring</li> <li>• SCTE35 monitoring</li> <li>• EPG monitoring</li> </ul> </li> <li>• QOE for 25 services</li> <li>• FEC</li> <li>• 5 Test outputs</li> </ul>	<ul style="list-style-type: none"> <li>• 300 SPTS inputs*</li> <li>• 75 MPTS inputs*</li> <li>• QoS monitoring</li> <li>• ETR 290 pri1</li> <li>• IP/RTP monitoring</li> <li>• SLA monitoring</li> <li>• CA monitoring</li> <li>• PSI/SI monitoring</li> <li>• Advanced monitoring for SPTS</li> <li>• 50 advanced monitoring for MPTS                             <ul style="list-style-type: none"> <li>• ETR 290 pri2, 3**</li> <li>• HbbTV monitoring</li> <li>• SCTE35 monitoring</li> <li>• EPG monitoring</li> </ul> </li> <li>• QOE for 50 services</li> <li>• FEC</li> <li>• 10 Test outputs</li> </ul>

\* Max total TS bit rate limited to 2.000Mbps

\*\* Only for MPTS

**To take advantage of this supplier offer, place your order with your Nevision supplier between 1 June 2016 and 8 September 2016, quoting "TNS4200 Basic", "TNS4200 Plus" or "TNS4200 Premium".**
